Any medical/physical conditions that the instructor should be aware of (asthma, heart conditions, etc.)?

Please read the following very carefully:

- I am aware that there is an assumed risk of injury when participating in martial arts, fitness, kickboxing and/or self-defense training classes.
- I am aware that Tupper Martial Arts Academy and Anthony Tupper (TMAA owner) may use photos and/or videos of my child for marketing purposes.
- I agree to pay the monthly fee for martial arts class participation before the first class of each month. If no payment is received before the third (3rd) class of the month, the martial arts instructor may not allow my child to participate until a payment arrangement is made.
- I understand that there may be additional fees for martial arts uniforms (called a "gi") (\$50, optional), sparring equipment (optional), belt rank promotion tests (\$5-200 depending on belt rank, required before test) and tournament participation fees (costs vary, optional). Sensei Anthony Tupper will notify me via email before any fees are charged to my account.
- I understand that all stripe and belt promotions will happen during my child's regularly scheduled class, with the exception of all Black Belt promotions.
- I understand that the monthly fee for martial arts training is a membership fee, and allows my child to participate in all classes available to them during the month. Any class not attended by the student is not eligible to be made up. Any class cancelled by the instructor and/or school will be attempted to be made up, if the calendar allows.

I have read the above, and agree to allow my child to participate in martial arts training with Tupper Martial Arts Academy.
