## I DONATE BECAUSE...

- ✓ The staff sees the strengths in my child and works with us around the challenges.
- ✓ My voice and presence as a parent are welcome and invited.
- ✓ The school community and staff are intentionally diverse.
- ✓ My daughter has rich enrichment opportunities outside of the classroom, and all kids have access to extra curriculums (as a 3 year old she goes to Dance, Gymnastics, and Soccer Shots)!

*Stephanie G.*  
PRIMARY SCHOOL PARENT

Westside Montessori is much more than just a school. It is a community. A community of kids, parents, educators, and staff all working together to raise our children to be independent, self-sufficient, confident adults. There is constant interaction between the teachers and the parents and between the parents themselves. It takes a village to raise a child and, for us, Westside Montessori is that village.
